

Del Mar Fairgrounds

Vendor Parking Info

Vendor parking is available for \$9 for the entire weekend, but you must enter at the Solana Gate off Via De La Valle. When you exit Interstate 5, go west, and at the light at Jimmy Durante Blvd – DO NOT TURN – continue straight. You will go about 3/10ths of a mile towards the ocean and see the Solana Gate on your left side. Turn here and drive down the hill.

At the bottom of the hill, if you are entering on a show day after 8am, there will be a ticket booth set up – tell them you need a vendor weekend parking pass. You must be a vendor to purchase the weekend pass. You will have to pay cash – they do not accept checks or credit cards.

The parking is run by the fairgrounds and all income goes to the fairgrounds – Shows USA cannot and does not control the parking charges or parking rules.
